

Message (2) from MOTHER OF MERCY

To THE WORLD

May 25, 2007 through Chris Courtis, a visionary in Maryland, U.S.A.

*(Our Lady is here! I see St. Michael on her right side, St. Gabriel on her left, and St. Raphael standing by St. Joseph to the far right. And there are other angels around her, baby angels, cherubs, and to the left is Mary Magdalene. Our Lady says, smiling, jokingly, "See, anyone can become a saint!" She's looking at her Son Jesus. They're all dressed in gold, I mean Our Lord and Our Lady and St. Joseph, and the angels are dressed in gold and Mary Magdalene is all in pure white that sort of glows, white veil, white gown, everything is white. Our Lady is looking at her Son, and she says, "Yes, anyone can become a saint if they tap into the graces of God and pray with all their heart. But oh, how difficult it is for your time, for this time, for my children to even pray." Our Lady is smiling again, and she's filled with joy. She says,)*

Praised be Jesus!

My dear children, thank you so much for praying and for welcoming me and my Son in your hearts. On this great day, me, my Son and the whole celestial court of Heaven bless you, in the name of the Father, and of the Son, and of the Holy Spirit. Amen

My little children, today like never before do I encourage you to pray both chaplets. Pray both the Divine Mercy Chaplet and my [Mother of Mercy Chaplet](#). Pray my Son's Divine Mercy Chaplet every day at 3 o'clock and pray my Mother of Mercy Chaplet every day at 4. These two chaplets go together. They are like two twins. My heart is His heart! His heart is my heart! That is why I wish you to pray these two chaplets every day. Little ones, they have great power and they are blessed, blessed with the power of mercy from my Son's heart to my Most Immaculate Heart. Pray them both every day.

I am sad, my little ones, that my message hasn't reached every one. I desire that my children come here on pilgrimages, not only because this is the Center of God the Father's Sacred Heart, but because I present myself as Mother of Mercy from this place where I desire to be honored, where my feet have embraced this floor. Dear children, come and pray for mercy. My Son is willing to hear you. Bring the sick and let them receive the blessing of peace and mercy. Yes, some of them I will heal but you all must pray very hard and make many sacrifices.

Dear children, I smile upon you every time you pray my Mother of Mercy Chaplet and every time you pray the Divine Mercy Chaplet. You ask yourself what graces you receive, what blessing? I tell you, you receive divine mercy every time you say Jesus' Chaplet of the Divine Mercy. And every time you recite my Mother of Mercy Chaplet, you receive not only my motherly mercy but also Jesus'. They go together like two twin hearts. Pray them every day! I want you to pray both chaplets every day, and I want this devotion to be spread throughout the whole world. Now in this time, when there is so much upheaval and lack of love and mercy, I will soothe your yearning hearts through these chaplets, my Son says, and I say to you. And now my message for the world: →

Praised be Jesus!

Dear children, today like never before on the feast of Mother of Mercy do I call you to peace. Peace, peace, peace, and only peace! I asked you this in Medjugorje and ask you again this very day. Pray for peace, surrender yourselves to God's peace and live the messages I am giving to you.

You say to yourselves, "Dear mother, how can I have this peace?" I say first to you, "Get your prayer life in order." Yes, dear children, spend hours in prayer, three if you can afford it, and one if you have a busy schedule. Pray the Chaplet of Divine Mercy. Pray my Mother of Mercy Chaplet. Pray the regular Rosary and my Mother of Mercy Rosary. Pray, pray, pray! Spend time going and visiting Jesus in the

Blessed Sacrament. Even if you do not have Adoration, I have told you this once and I will tell you again, little ones, He's present in your tabernacle. Go there and pray with all your hearts. Try to attend Mass frequently, every day if possible, every other day if you have a busy schedule. Go to confession once every other week if you can. If you can't, or have a busy schedule, go once a month. Pray always, little children! Start your day with morning prayer. In the evening if you can, at twelve noon, honor the Angelus. Pray, and pray in the evening. Gather the family together and pray your family Rosary. Pray, little ones, pray!

I ask you for prayer because it is by this means that you will obtain God's peace. I also ask you to pray to disarm the efforts of Satan. He fights very much to disturb your peace. Hold on to your peace. Cherish your peace, little ones, do not let him get hold of it. By continuing prayer and fasting which I ask of you again on Wednesdays and Fridays, you can obtain peace for yourselves and the world. I also ask you this very day and with all my heart that you surrender to God's peace. Surrender to His peace within the Blessed Sacrament, within Mass, and within your daily prayer life. Go back to the use of holy water if Satan is disturbing you. Pray and utilize these great gifts that God has given to you.

I've given to you many steps in order for you to continue to pray and in order to preserve your peace. But another thing I wish to say to all my little ones is, if you wish to truly hang on to God's peace in this life, it is necessary that you pray a great deal and live a humble, modest life. I love you, dear children, these are your tools, grasp them. I love you, my little ones, and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Now go, my little angels, in the great peace and love and mercy of God Most High. Ad Deum. And know I am always with you, with each and every one of you in your prayers. *(She's blessing us again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. She's gone.)*
